Emergency Declaration

Due to the COVID-19 it has become necessary, as an interim measure in an effort to help restrict its outbreak, to collect certain information from employees especially with regard to health and travel. This information is essential to help aid in the prevention and spread of the corona virus. This is an emergency situation.

1. Your personal information will only be collected for this purpose.
2. It will be shared only with authorized Citco management who need access to this information.
3. It will be retained only for as long as necessary during this crisis and summarily destroyed.

The GDPR allows this collection for legitimate interest, your vital interests or that of another, and/or for the public interest. In addition, many jurisdictions around the world are allowing for an exemption on the collection and cross-border data transfer of this information for health and safety emergency purposes. Your cooperation and consideration is essential in this matter.
